

KERA PETS DELIVERY, CANCELLATION & RETURNS POLICY

1.0 Delivery

We strive to make our online ordering process as simple as possible. We offer free UK *standard delivery* (UK Mainland) on all orders of £80.00 and above. If you wish to select *tracked & signed* delivery there is an additional charge for this. For addresses outside the UK, additional delivery charges will apply.

We aim to deliver all items to UK addresses within 14 working days of payment (excluding Saturdays, Sundays and Bank Holidays). Longer delivery times may apply to certain items and those requiring delivery outside the UK. Where products are pre-ordered, an estimated delivery timescale will be provided, however, this is only indicative.

We deliver anywhere in the world but we reserve the right to deliver them only to the address identified with the card or account that has been used pay. In all cases, our obligation to deliver the items is fulfilled when someone first tries to deliver them at the address you have specified in your order.

If, due to circumstances beyond our reasonable control, a product becomes out of stock after an order has been placed, the customer will be notified by email and given an option to cancel the order and receive a full refund.

The customer should be aware that if an order consists of many products, these products may be delivered separately and may have more than one delivery cost. In these cases, the customer will accept part delivery of an order.
